Smart Tracker Tag type Instruction manual

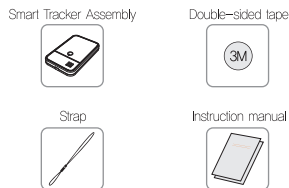

Smart Tracker

Smart Tracker! Press to find the location.
Generates an alarm for disconnection.

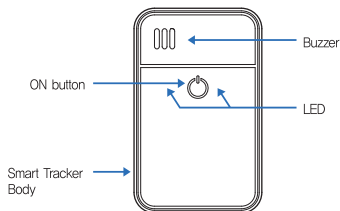

Product Characteristics

- Prevent loss of smart phone and valuables.
 - If the smart phone and Smart Tracker falls apart, an alarm will go off on both sides to prevent losses of smart phones and valuables (Wallet, bag, car keys, etc.).
- If you lose your valuables, the tracker will locate it.
 - You can view the last location of the lost valuables on the map in your smart phone app, Smart Tracker.
- Finding smart phones.
 - When the smart phone is close to the Smart Tracker, you can find your smart phone by pressing the Smart Tracker button twice, quickly.
- Finding Valuables.
 - You can find your valuables (Wallet, Bag, Car Keys, etc.) in the smart phone app within a touch.
- Notification of close-up belongings.
 - At the airport baggage claim area, the smart phone will beep when it is close to the belongings.

Battery Replacement Method

- After removing the front part of the product, remove the used coin battery in the coin battery holder.
- Replace the new coin battery into the battery holder in the same direction (refer to the product assembling diagram), and then assemble back the product.

Product Specifications

Rated voltage	DC3V
Battery	Lithium CR 2016 battery
Communication mode	Bluetooth 4.1
Size	W*D*H 40X25X5.66(mm)
Certification details	KC certification

Cautions

- The Smart Tracker is only a service device that helps in preventing losses. It does not 100% prevent the loss of smart phones and items.
- Due to the nature of Bluetooth, which is being susceptible to frequency bands, smart phones may have a loading issue depending on the user environment.
- This product is not waterproofed, thus if water permeates, it can be a cause for malfunction.
- There can be restrictions depending on the smart phone model when various Bluetooth products are used at the same time.
- Users should not attempt to disassemble, repair, or modify the product by themselves, please contact the customer center. (Warranty will not be applied to disassembled products.)
- Use a rating battery (lithium CR2016).
- Battery consumption may differentiate depending on the user's environments and habits.
